YOU'RE INVITED

February 10, 2010

Connecting the world to housing solutions

Canada Mortgage and Housing Corporation, in collaboration with **AIA New Hampshire** cordially invites you to attend an AIA Continuing Education (CE) Seminar. The seminars will focus on products that can be used in Green, Sustainable and LEED certified building projects for commercial and residential purposes.

Attend this complete seminar and earn 4 AIA Learning Units (LU) credits. You will also have the opportunity to network with contacts in the industry and learn about high quality and green products from one of your closest neighbours, Canada.

New Hampshire

Date: **February 10, 2010**
