CALL FOR ENTRIES – 2020 Excellence in Architecture Design Awards

AIA New Hampshire is committed to excellence in architecture and looks forward to celebrating outstanding works of architecture through its annual Design Awards Program. The purpose of the program is to recognize achievements in design by New Hampshire architects and to honor the project teams and the clients who work with them to create and enhance our built environment. Projects should exemplify the value of good design in creating livable communities and safe, valuable, and sustainable buildings, neighborhoods, towns, and cities.

AWARDS CALENDAR

- Call for Entries: Friday, January 10, 2020
- Submission Deadline: Friday, February 14, 2020 @ 5:00 pm EST
- Notifications: after Friday, March 6, 2020
- Awards Presentation: Thursday, April 2, 2020

SUBMISSION SUPPORT

All submissions will be received via Submittable, an online portal: https://nhforum.submittable.com/submit

It is recommended to use Chrome or Firefox browsers for submissions made through Submittable.

If you encounter technical difficulty with your awards submission, please contact: Submittable Tech Support at: (855) 467-8264, ext. 2 or support@submittable.com. Non-technical questions about awards can be addressed to: Bonnie Kastel, bkastel@aianh.org.

All submissions must be complete by the submission deadline. Your submission will be received by AIANH after payment has been made. If your submission fee has not been paid, AIANH will not see or have any record of your submission. Payment is the last step of the submission process. Once your submission fee is paid, your submission cannot be edited. Prior to that point, drafts may be saved to your Submittable account and modifications made.

You may submit multiple projects to this awards program. Each project must be submitted and paid for separately. If you submit multiple projects, remember to select the discounted, subsequent entry fee after the first entry.
ELIGIBILITY

- This award recognizes and honors excellence in architectural design by registered, licensed architects who are members of AIANH.
- Firms domiciled in NH may submit projects anywhere in the world.
- Firms domiciled outside NH may only submit projects located in NH. One principal from this firm must be a member of AIANH. If you are not currently a member, complete the AIANH Component Allied Membership form and send it with payment to the AIANH office: bkastel@aianh.org.
- Built projects substantially completed after January 1, 2010 are eligible.
- Each entrant may submit any number of eligible entries with the appropriate fees for each entry.
- Projects that have been honored in a past AIANH Design Awards program are not eligible (unless the project was submitted in the Unbuilt category and the project has since been built).
- Projects previously submitted that have not won an award may be entered again but may not be submitted more than two years consecutively.
- The submitted work must be eligible for publicity and reproduction.

CRITERIA

Entries will be judged on their own merit regardless of project size or type. The jury evaluates entries based on how successfully projects have met their individual requirements. Entries are judged individually—not in competition with each other.

The sole judging criterion is design excellence. The jury is empowered to determine the extent to which design excellence is informed by aesthetic, technical, functional, contextual, sustainability, social or other characteristics.

The jurors’ decisions will be based solely on the materials submitted.

FEES

First project entry: $220 ($160 + $60 for presentation board production)
Additional project entries: $185 ($125 + $60 for presentation board production)

*Each project submission requires a presentation board that will be used for display during the Awards Banquet and, thereafter, on tour throughout New Hampshire during 2020.*

All fees are not refundable and must be paid online via credit card at time of submission. Submissions cannot be received and marked complete until payment is made.

SUBMISSION REQUIREMENTS
All submissions for the 2020 AIA New Hampshire Design Awards must be digital and submitted by **Friday, February 14, 2020, 5 PM**. No binders will be accepted. The decisions of the jurors will be based solely on the materials submitted.

**Project Information (as possible)**

- Project Name
- Project Category
- Project Location
- Completion Date
- Architecture or A/E Firm Name
- Architect of Record
- Design Architect
- Project Team
- General Contractor
- Project Consultants
- Client (may be withheld if client prefers)
- Client Permission
- Project narrative:
  - A brief, 300 word or less description of the project, including site description, special constraints, total square feet of the project, year of completion, construction budget or cost, any design challenges and solutions.
  - Do not include any identification of entrant or project team in the project narrative section.
  - The jurors have a limited time with each submission. Please format text accordingly. For instance, use bulleted lists for statistical data.

- Photo credits
- Submitters must agree to the 2020 AIA NH Permission Form for Textual and Visual Works provided on the online submission form.
- Presentation Board: This board is used for publicity purposes. It will be on display at the Awards Banquet in April. Thereafter, it will be on exhibit at various locations around New Hampshire.
- Publicity Description: A brief, 150 word or less, description of the project that will be used for promotional purposes. Unlike the Project Narrative, you may include identifying information about your firm, project and client.

**NEW THIS YEAR**

**Demonstration of Sustainable Design and Building Performance**

Describe how your project showcases Sustainable Design and Building Performance, using at least one of the ten AIA COTE Measures described in the AIA Framework for Design Excellence ([https://www.aia.org/resources/6077668-framework-for-design-excellence](https://www.aia.org/resources/6077668-framework-for-design-excellence)).

At the discretion of the jury, special recognition may be given for projects that demonstrate meritorious examples of Sustainable Design and Building Performance.
Project Images

Please note: Submissions will be reviewed by jurors on a computer and/or projection screen. Images should be legible when printed at 8.5”x11”.

- Submissions must include no more than twelve (12) digital slides, arranged in the order you wish them viewed. Start each file name with its order number (ie. 1_front facade.jpg, 2_rear elevation.jpg). The first four slides submitted will be used for PR purposes.
- Each digital slide must be in .jpg format.
- A composition of drawings, images, and other illustrations may constitute one (1) digital slide.
- Do not include any identification of entrant, client or project team in the digital slide section.
- Do not include any project narrative in the digital slide section.
- Awarded submissions will be asked to provide high-resolution imagery for publication after judging is complete.

JURORS

The jury for the 2020 AIANH Design Awards will be composed of professional colleagues from Seattle, WA.

FREQUENTLY ASKED QUESTIONS:

Do I have to start and finish my submission in one session?
No. You can start your submission and return to finish it before the deadline date. To do so, scroll to bottom of submission page and click “Save Draft” button.

Can I make multiple entries?
Yes. However, you must submit your first entry before starting on a new entry.

What if I want to make changes to my entry after I have completed my submission?
Once you click “Submit” you will need to contact bkastel@aianh.org to make edits.

ADDITIONAL QUESTIONS

Additional questions should be directed to Bonnie Kastel, AIA New Hampshire Executive Director, at bkastel@aianh.org or 603.501.1881.
