About NHAF: The NH Architecture Foundation is a charitable organization established by the NH Chapter of

the American Institute of Architects to foster understanding of quality in architectural design, construction, and preservation by raising public awareness of and expectations for architecture and the built environment and by encouraging individuals to act as advocates for good design in the planning and design processes that shape their communities.

About AIANH: The New Hampshire Chapter of the American Institute of Architects has over 300 architect, associate, and professional affiliate members. Its mission is to illuminate the profession of architecture through advocacy, public outreach, education, fellowship, and recognition of design excellence. Its members work with each other and their communities to create more valuable, healthy, secure, and sustainable buildings and neighborhoods.
